

Enhanced Yield

FUND

KEY FEATURES

ENHANCED YIELD POTENTIAL

Targets **an 8% yield per annum**, for those seeking higher income potential than traditional fixed income strategies.

DIVERSIFIED CREDIT EXPOSURE

Invests across **liquid & private credit** along with **alternative income strategies** to balance income and risk.

INCOME-FIRST APPROACH

Distributions primarily come from **income and return of capital**, offering investors a predictable and tax-efficient yield.

FLEXIBLE DISTRIBUTIONS

Investors can choose between **cash payouts or a dividend reinvestment plan (DRIP)** with **monthly distributions**.

Maximizing Income Potential with a Diversified Credit Strategy

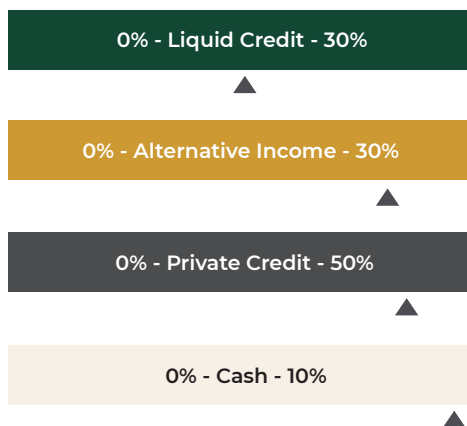

The **Raintree Enhanced Yield Fund** is designed for investors **seeking higher yields** than traditional fixed-income investments. By integrating public and private credit securities, the fund aims to enhance income generation while maintaining a strong focus on capital preservation and risk adjusted returns.

With exposure to **liquid credit, private credit, and alternative income strategies**, the fund is structured to provide steady cash flow and income-focused returns, making it a potentially valuable addition to an income-oriented portfolio. Its **distributions primarily consist of income and return of capital**.

By leveraging a dynamic blend of public and private credit strategies, the Enhanced Yield Fund seeks to maximize income potential while maintaining **disciplined risk management**—making it an excellent choice for investors focused on consistent cash flow and long-term income stability.
